

Sweta Singh

Greater Noida, Uttar Pradesh | +91-9696810875 | swetasingh0316@gmail.com
linkedin.com/in/sweta-singh-b77597200

Professional Summary

Electrical and Electronics Engineering undergraduate with hands-on experience in Embedded Systems, IoT, Robotics and Automation. Skilled in ESP32, Arduino, Embedded C, sensor interfacing, Bluetooth communication and real-time embedded applications. Passionate about developing intelligent automation and smart electronic systems.

Education

GL Bajaj Institute of Technology & Management, Greater Noida

B.Tech in Electrical & Electronics Engineering (2023–2027)

CGPA: **7.5/10**

Central Academy Senior Secondary School, Gorakhpur

CBSE Class XII

Central Academy Senior Secondary School, Gorakhpur

CBSE Class X

Projects

Real-Time Human Detection with Mobile Robot (ESP32)

- Developed an ESP32-based autonomous robot for real-time human detection.
- Integrated sensors for navigation, obstacle avoidance and wireless monitoring.

Obstacle Avoidance Robot with Bluetooth and Voice Control

- Built an Arduino-based robot using ultrasonic sensors.
- Implemented Bluetooth and voice control for autonomous navigation.

Smart Home Automation System

- Designed an IoT-based home automation system using ESP32.
- Controlled electrical appliances remotely through Wi-Fi.

Solar Power Optimizer with Solar Tracking

- Developed an automatic solar tracking prototype using LDR sensors.
- Improved solar energy collection through intelligent panel alignment.

Technical Skills

Languages: C, Embedded C

Hardware: Arduino UNO, ESP32

Sensors: Ultrasonic Sensor, LDR, Relay Module, Bluetooth Module

Core: Embedded Systems, IoT, Robotics, Automation, Basic Electronics

Tools: Arduino IDE, Proteus (Basic), MS Office

Achievements

- Career Catalyst – Student Tech Fusion 2026 Conference (Cadence Design Systems India Pvt. Ltd.)
- Connected, Autonomous & Electric Vehicle Technology Program (MG Nurture – JSW MG Motor India)
- IEEE PEEIC-2024 Volunteer
- SuperNova Hackathon 2025 Participant
- AKTU Inter Technical University Sports Fest (Kabaddi – Zonal Level)
- Industrial Visit – RISE Appliances Pvt. Ltd., Noida
- GLBMUN 2024 Delegate (UNSC Committee)

Soft Skills

Leadership • Teamwork • Communication • Problem Solving • Time Management • Adaptability
